<b>Twilight Walk</b>					6:00 pm	6:00 pm		
<b>Evening Program</b>			7:00 pm		7:00 pm	7:00pm		

### Foothills Feature

The Oak Woodland is one of the most diverse and interesting ecosystems in the world. Join a Ranger at the Foothills Visitor Center for a 20 minute close-up look at some of our favorite foothills features and creatures.

### Science of the Seasons

The trees are bursting with buds, leaves, flowers and fruits for all of us to observe. Join Volunteer Lynne at the Foothills Visitor Center as she observes these phases and records observations during this 30 min walk.

### Junior Ranger Program

Wildlife is all around us, but often all we see are the signs they leave behind. Come discover what bears eat, owls hunt, or what's been sniffing around your campsite! Meet at the Potwisha Amphitheater for 1 hour.

### Reveal Your River

What lies beneath the surface of the river? Cool off while exploring the aquatic web of life with special underwater viewers. Follow the River Trail from the Potwisha Overflow Parking Lot to meet at the Suspension Bridge.

### Investigation Station

What can an animal's teeth tell us? What does a wild cucumber look like? Come investigate the plants and animals of the foothills and discover the stories they have to share. Drop by the Foothills Visitor Center.

### Twilight Hike

Take a stroll with a ranger on the Paradise Creek Trail and explore the wonders of the foothills. Park at Hospital Rock and walk ½ mile to meet at the trailhead in Buckeye Flat Campground for this 1 hour, ½ mile walk.

### Evenings at Potwisha

Join a Ranger for an hour of fun and learning as we explore together the wonderful things that make Sequoia National Park amazing! Meet at the Potwisha Amphitheater for an evening of discovery.
